

“Better is the end of a thing than its beginning: the patient in spirit are better than the proud in spirit”

Update 5 - 22nd February

A great deal has happened since last week and the new build is now entering the final stages...

- 1 The cupboards in the baptistry that have been made into display cabinets have now been painted a lovely shade of light purple, ready for our Saxon coffin lids to be mounted, later this week.
- 2 Meanwhile, lots of materials have been delivered to site, ready for the finishing touches to the new build.
- 3 Now that the new structures are in place, it's interesting to consider all of the new spaces we'll soon be using and getting used to...
